BRAMWELL'S

MAN WITH A PICTURE
FRAME IS SENT
TO JAIL

The alleged habit of selling a picture frame, then stealing it and selling it again, caused Warren Grantlief to receive a 25-day jail sentence, from the municipal court judge this morning. Grantlief pleaded guilty to a charge of drunkenness, but an investigation of the circumstances in the case revealed the fact that he had sold a hand-made picture frame to the Taylor and Stoker laundry company for \$6. He took half the purchase price out in drinks, then according to Mr. Taylor, stole the frame and sold it again.

Tom Kirby was given the alternative of serving five days in jail or paying a \$5 fine. According to Hazel Ipsen, driver of a laundry wagon, Kirby took two bundles of laundry from his wagon, while under the influence of liquor. He was caught by Ipsen and turned over to Officer Guy Nelson.

Danego Romero and M. Ropas, plain drunks, were given suspended sentences and G. Costello, charged with disturbing the peace, had his trial set for tomorrow.

John Bradshaw, charged with vagrancy, pleaded not guilty. He retained Judge A. C. Howell as counsel and after a tilt between the latter and Assistant City Attorney Baumunk as to the date of trial, the case was set for tomorrow morning. Bradshaw is alleged to have been connected with a "sure thing" game played on a traveler in Ogden yesterday. He was arrested by Detectives Tom Burk and Robert Chambers. His bail was set at \$500.

NIECE OF SENATOR IS
SEEKING A DIVORCE
IN OGDEN

In Judge J. A. Howell's division of the district court this afternoon the divorce case of Avera Hardy Van Dyke against Alfred O. Van Dyke is being heard, the grounds for the action being alleged failure to provide.

On the witness stand Mrs. Van Dyke testified that she married the defendant September 28, 1903, and that they have three children, ranging in ages from 6 to 10 years. She said that the defendant had not properly provided for her the past number of years and that she had been compelled to return to her mother's home in Provo.

Mrs. Van Dyke is Senator Reed Smoot's niece and the daughter of Mrs. Dr. Milton Hardy of Provo. The late Dr. Hardy was superintendent of the State Mental hospital for a number of years and was instructor in physiology and hygiene in the Brigham Young university.

Mrs. Van Dyke seeks the care and custody of the minor children, costs of suit and attorney fees, and \$40 a month alimony.

The defendant denies that he has failed to provide.

**ORPHEUM CIRCUIT
TO INCLUDE OGDEN**

Complete Bill to Be Presented Each Week at Alhambra; Leslie Carter Coming.

An announcement that will be received with keen interest by vaudeville lovers of Ogden was made last night by H. E. Skinner, manager of the Alhambra theater, who has just closed negotiations for the coming of Orpheum vaudeville to the Alhambra. Manager Skinner has set the date for the first performance on Thursday, September 30.

Mr. Skinner returned from Los Angeles yesterday afternoon, bringing with him the completed plans for the inauguration of the Orpheum season here. The complete Orpheum bill, consisting of seven acts each week, will be presented at the Alhambra three days each week, the opening being on Thursday and continuing through Friday and Saturday, with matinee daily. The shows will come direct from Los Angeles, playing here on their way to Salt Lake.

In preparation for his Orpheum season, Mr. Skinner purchased while in Los Angeles, a full equipment of scenery, including replicas of some of the most costly scenery sets produced for the Orpheum circuit. A five-piece orchestra will be installed at the Alhambra and popular prices will prevail. There will be 1,400 seats at 25 cents, 600 seats at 50 cents, and 75 seats at 75 cents—the latter being the loges on the mezzanine floor. The matinee prices will be 10c and 25c.

The Orpheum attractions as they come to Ogden will represent the full Orpheum bill, which is supposed to comprise the best acts in vaudeville offerings. The headliner for the first week will be "The Mysteries of Pekin," one of the most elaborate vaudeville spectacles ever produced, and the second week's headliner will be no less an attraction than Mrs. Leslie Carter.

The seat sale for the opening three days will begin at the Alhambra box office next Monday.—Advertisement.

WORLD'S MARKETS

New York, Sept. 21.—The familiar upward swing of the special stocks was repeated at the outset of today's trading, motor shares again being the most conspicuous features. Willis Overland rose two points to the new high price of 212, closing at 212 1/2. Studebaker opened half a point down, but soon advanced 1 1/4 to the high price of 144 1/4, and General Motors also broke all previous records with its advance of 3 1/2 to 299 1/2. Other so-called war shares were up 1 to 2 points, United States Steel opened a fraction lower. Chicago Grain

Chicago, Sept. 21.—Perfect weather for threshing today in the spring crop belt turned the wheat market here downgraded. Besides advices were at hand that country shipments to

Minneapolis had grown in volume. At first, however, prices displayed a little firmness owing to a large decrease in the European wheat supply, especially the British stock. The opening, which ranged from 1-4c off to 1-4 @ 3-8c up, with December at 93 3-8 to 93 7-8c and May at 96 7-8 to 97 1-8c was followed by a slight general advance and then a decided setback all around.

Corn weakened with wheat. Frost reports had but little effect on prices. After opening 3-8c lower to 1-8c advance, the market steadied well under last night's level.

Oats held comparatively steady. There was no pressure to sell.

Some strength developed in provisions. The stimulus appeared from the scarcity of hog receipts throughout the west.

The wheat close was unsettled, 3-8c net lower to 1-2c advance, with December at 93c and May at 96 1-4c.

The corn close was steady at a range half cent lower to 1-4c higher than last night.

**QUEEN SPEAKS
FROM THRONE**

Ruler of Holland Expresses Deep Gratitude That Country Is Spared Horrors of War.

The Hague, Sept. 21, via London, 2:05 p. m.—Queen Wilhelmina's speech from the throne today in closing the session of the states—general had for its keynote an expression of deep gratitude that The Netherlands had so far been spared the horrors of war.

The firm determination of the government to maintain our integrity and strictly observe the duties of neutrality meets with appreciation everywhere—the speech ran. "Our relations with all foreign powers has continued friendly. Our naval and military forces remain ready for the protection of the national interests."

Marked approval was given by the deputies to the concluding sentence of this section of the speech.

The queen lamented the difficulties to trade arising from the war and concluded with an expression of great hope and confidence that "if The Netherlands remained spared to the end from being involved in the war the nation would resume its honorable place in the competition of the nations."

**EMPLOYEES OF
BANK ARRESTED**

Cashier, Vice President and Paying Teller Charged With Embezzlement and Misapplication of Funds.

Dubque, Ia., Sept. 21.—George J. Homan, cashier, Joseph F. Harragan, vice president and teller, and Charles R. Seig, teller of the Dubque National bank, were arrested today on warrants issued by federal authorities charging embezzlement and misapplication of funds of the bank totaling about \$20,000.

The men were taken into custody by A. C. Letts, deputy United States marshal. The embezzlement charge stands against Homan and Seig, while Harragan is alleged to have misapplied funds of the bank. Homan is also charged with having made false entries on the books of the bank.

The arrests came as the result of an investigation which had been in progress for two weeks or more. It was claimed the authorities secured evidence which led them to believe a "ring" had something to do with the alleged embezzlement and that a connection may be established between the cases here and those of other cities.

BOYS MAKE SERIOUS
CHARGE AGAINST
J. S. HALL

For following two young boys and making improper proposals to them, J. S. Hall was sentenced this morning by Municipal Judge Reader to serve six months at hard labor. The offense, according to the testimony, was committed last Thursday evening and Hall was arrested on the following morning by Patrolman Blackburn.

The boys in the case were Bert Frost and Kenneth Gallagher, 14-year-old boys, employed as messengers in the local Union freight station. They stated that Hall beckoned to them while they were riding west on Twenty-fifth street on a bicycle and that he talked to them briefly at the Healy hotel corner. After having this conversation, the boys left him and he followed them to the freight house, where the alleged proposals were made.

Hall's defense was that the boys accosted him first and that he talked to them to "learn their game" and then followed them to the freight house to see how far "they would go." Before passing sentence, the judge made a scathing arraignment of the defendant. Hall was represented by Judge J. N. Kimball and Assistant City Attorney R. H. Baumunk prosecuted the case. Following the passing of sentence, Judge Kimball gave notice of an appeal and the bond was set at \$360.

In the case of the State vs. Rafael Martinez, the charge against the defendant was dismissed. Martinez was alleged to have stolen a watch, a revolver, a shirt and a pair of shoes from Antonio Constantino, but, according to the testimony, the watch was given him by the complaining witness to get repaired, he borrowed the shoes Antonio gave him the shirt and he had nothing to do with the disappearance of the revolver. The two men had been working together near Utah on the new Union Pacific double track.
